

# 1<sup>st</sup> International Online Workshop For Environmental Law PhD Students

21 January 2022, 9am-6pm CET

**Learn about current PhD projects in environmental law  
and discuss them with PhD students and environmental law professors!**

**This workshop** is organized as a joint effort of the European Environmental Law Forum (EELF), the European Law Institute, the Faculty of Law of Opole University, Poland, the Faculty of Law of Groningen University, The Netherlands, the German Competence Network for Environmental Law and Helmholtz Centre for Environmental Research. It is aimed to provide an opportunity for PhD students and doctoral candidates to present the concepts of their dissertations and discuss them with their peers and an international circle of environmental law professors and senior academics. Speakers were selected on the basis of a call for abstracts published in November 2021.

**Participation** is free of cost and open to all PhD students and scholars in the field of environmental law.

**Please register** at: <https://www.ufz.de/index.php?en=48878>
